Pupil absence

If your child is unable to attend school please can you contact the school office on the first morning of their absence to report the reason for them not attending school. Our admin staff will only phone home if a child's absence has not been reported before 9.30 am. Please can you ensure that following an absence through vomiting or diarrhoea, 24 hours has lapsed since the last bout of illness, before sending your child back into school. This will greatly reduce the risk of spreading infection.

Dinner Money

Please can you ensure that all dinner money arrears are paid into the office by Thursday 22nd October. Thank you.
