## 13<sup>th</sup> November 2009

### **Child safety**

The safety of children in school is paramount and during the school day we do all we can to ensure that the children are safe at all times.

However, we are concerned about the safety of children as they arrive and leave school. Please help us to keep children safe by using only the pedestrian pathways around school. Do not walk your child across the car park areas and always have your child close by you. Please do not let your child climb on the handrails by the infant entrance or by the bicycle shed as these are not safe play areas for children. Thank you for your support and co-operation.

### **Morrisons' Vouchers**

These vouchers have now stopped being issued and so if you have any remaining vouchers at home please send them into school on Monday so we can total up our vouchers and send them off. Thank you.
