12th February 2010

Safety Reminders

Please use only the pedestrian pathways when entering and leaving the school grounds, do not use the vehicle driveway.

If you bring your child to school or collect them at any time other than the start or end of the school day please report to the school office in the junior building first. If you need to drop something off for your child eg. packed lunch box then please take it to the school office not to the classroom. This applies to both infant and junior children. Staff will not open classroom doors to any adult during the school day.

To maintain security in our school buildings please close all external doors when leaving and entering the school. Thank you for your cooperation.

Thank You PTA

All of you are very supportive of our PTA fund raising events and the discos this week were a great success with some fabulous fancy dress costumes and brilliant dancing!

All of the money raised by the PTA is used to benefit your children in school. Recently the PTA funded the Christmas party entertainer for the nursery and infant children, they bought safety rails for our staging, they purchased some new soft play equipment for our toddler group and a new mixing desk for the junior hall. At our PTA meeting last week they pledged £250 towards some new digital cameras, £1000 to subsidise school trips and visitors into school and a fantastic £5000 for a new outdoor classroom. Their fund raising activities and your support of them enable us to enhance the learning and enjoyment of all of our children.

Thank you.

Website

We have recently been updating our website, so if you haven't looked at it recently please do. Any comments or feedback will be gratefully received.
