## 12<sup>th</sup> May 2010

### Open Day

On the reverse of this newsletter you will see a poster advertising our forthcoming Open Day on 17<sup>th</sup> June. This is an opportunity for families with pre - school children to come and look around our school and see the very high standard of care and education and the wonderful learning environment that we have here at Northway. If you have family or friends with young children who will be starting Nursery or Primary school in 2011 or 2012 please encourage them to come and have a look around our school.

### Safe Parking

I have received a few complaints from residents of Dodds Lane regarding parking. A number of them have had their driveways blocked by parents or carers collecting children at the end of the school day. If you are collecting children by car please park as far away from the school entrance as possible in a safe manner; neither obstructing the pedestrian pathway, nor blocking residents' driveways. Thank you for your co-operation.

### Home Access

Home Access is a government drive which helps low-income families get access to a computer and the internet at home. If you receive Free School Meals or certain other benefits and support you could get a grant to buy a Home Access computer and internet package designed to support learning. For more information contact 0333 200 1004 or [www.homeaccess.org.uk](http://www.homeaccess.org.uk).
