Staffing News

As we enter our last half term of the school year, I am sorry to say we will be saying a few goodbyes to members of staff in July.

Mrs Booth is retiring after working for Sefton for 40 years; 10 years of which we have been lucky that she has spent at Northway! What an incredible length of service to the LA and definitely time now for some well-earned rest and relaxation. We will miss her very much brightening everyone's day in the office and cannot thank her enough for all she has done to keep Northway running smoothly over the years!

Miss Stupples is not only leaving Northway but also teaching and is taking some time to consider a new direction in her career. She has been a fantastic teacher and impacted so many lives over her 18 years in the profession. We wish her the best of luck wherever her path takes her!

Mr Ashley has been an incredible asset to our Teaching Assistant team for the past two years and is now moving on to work as a teacher. We know whichever school he works in will be lucky to have him and wish him the best of luck for the future!

PTA

We had a PTA meeting last night to organise the Summer Fayre. In order to host such events, we desperately need more volunteers to help organise and run them. If you are able to help set up the Summer Fayre during the day of 30th June, run a stall during the Fayre or tidy up afterwards, then please contact the school office who will put you in contact with Liz Beamish (PTA Chair).

We are busy gathering donations for our raffle prizes which will be drawn at the Summer Fayre. If you have something you are able to offer or can get in touch with any businesses to request prizes, we would be ever so grateful! Please pass any to the school office or email the details in to admin@northwayprimary.co.uk

All funds raised are being put towards renovating our school library. We want to make this a vibrant and engaging space for children so the more money we can raise, the better!

Bird Week Success!

A huge thank you to our Northway community for all of your donations in Bird Week. We managed to raise a grand total of £900. We have donated £100 to the RSPB. The remaining money will be used to support our new mission to create environmentally friendly spaces around the school. Each class will be working on a space, so please look out on Instagram to see how your donations have helped us to promote sustainable living for a greener world!

Parent Survey

LAST CHANCE to complete as this survey closes today!

Thank-you so much to everyone who has completed this so far. Your feedback is very important to us. We are always looking for ways to improve our offer so that we can all work together for the best outcomes for our children. Please complete this online via this link- <https://forms.office.com/e/tDjLjgDvLC> by Friday 6th June. If you have more than one child, please complete the form for each child. Thank-you!

Girls' and Boys' Football News

Before half term, our Girls' and Boys' teams both had matches in the MADCOS league. The Girls' team played against Melling Primary and put on another epic performance! They even each took a turn in goal and were not phased in the slightest. The final scoreline was 5-0 to Northway and it was fabulous to see Betsy cheering them on again from the sideline whilst she has been injured!

The Boys' team played against St. Thomas' in a nail-biting game with one of their best performances this year. The 3-0 scoreline to St. Thomas' did not reflect how close the match was. Absolutely epic saves from Jake in goal throughout the match and such a close header by Reuben!
